THE LITTLE GRAND TOUR

A Summer Festival in the Garden Kingdom of Wörlitz, August 19th, 2006

In cooperation with the foundation of the Dessau Wörlitz Garden Kingdom, we have designed an exclusive day just for you in the middle of magnificent garden artwork – inspired by the yearning of the Enlightenment. We celebrate the indulgences of the summer ... the culinary gondolas are reserved exclusively for you on August 19th, allow nature's glory to glide past you and gaze in wonder when Old Vesuvius spouts its lava – to take place only once this year ...

With this half-Mediterranean, half-fairytale 18th-century garden, christened a UNESCO World Heritage Site, as a backdrop, you are invited to journey through time – with BRANDENBURGER HOF and gourmet chef Bobby Bräuer as master of ceremonies.
